OUR PRIVACY IS AT RISK

When we protest, we increase our chance of encounters with law enforcement. With Trump's administration trampling the rule of law, the risk increases to see the government access our phones and computers - our personal data.

Understanding exactly when police can legally search our devices isn't just important — it's necessary for protecting our rights in today's increasingly monitored world.

This month we are inviting Orin Kerr, a professor at Stanford Law School, to talk about the legal aspect of digital security.

When can the government read your email or monitor your web surfing? When can the police search your phone or copy your computer files? In the United States, the answers come from the Fourth Amendment to the Constitution and its ban on 'unreasonable searches and seizures.'

In his presentation, inspired from his book "**The Digital Fourth Amendment: Privacy and Policing in Our Online World**", Orin Kerr shows how judges must craft new constitutional rules for the new world of digital evidence. Kerr provides a blueprint for legal change with clear rules for courts to adopt to restore our constitutional rights in the computer age.

This will be a hybrid meeting, both in person and on Zoom.

Karla & Sylvie

NEWS

THE CENTRAL VALLEY IS OUR CLOSEST PATH TO TAKING BACK CONGRESS

Let's invest strategically now!

Central Valley Matters has "adopted" **CD- 22** as part of this movement building: a +16 Democratic registered district with Valadao, as their Republican representative is devastating for the good people who work in ag, oil, and prisons.

Central Valley Matters has chosen **6 young, Spanish speaking, Latino grassroots groups**, who do the grassroots organizing- the slow process of educating voters and activating them. Since 68% of CD-22 population is on Medicaid, our groups are out in the streets waking up their neighbors to help us all to save Medicaid/CHIP/SNAP next week.

Let's support them and grow their impact **by donating now** and by spreading the word to your friends about adopting our closest, flippable district. **We have 10K more in pledges to raise this week.**

And **sign up** for our **June 5 fundraiser with Dolores Huerta** (95 years young!).

The TWW/I-Los Gatos May Day protest was a success

With over 200 attendants on a week day and a display of artistic and punny signs, we made the news in the Mercury News:

"Hundreds of people gathered in Los Gatos's town plaza around 11:30, carrying signs that denounced deportations, wealth inequality and Musk's government cuts as cars honked around them and speakers blared playing protest songs.

"The idea behind this was to create a safe space for people to come, share their concerns and their commitment to our democracy, get to know each other — if they're not in a group, join one — and to build from here," said Marsha Palitz-Elliott, the rally's organizer."

With success come challenges. We registered around 100 people at the march. We are now **looking for people willing to input names and emails into a spreadsheet**. Contact **Karla** if you are willing to help.

Sister District introduces its first candidate

Sister district introduces their first VA candidate and she is terrific! **Lily Franklin** is running for the VA House of Delegates in southwestern VA, the Appalachia of VA. She lost by only 183 votes in 2023.

She's coming to meet us **in person** next month at a **Garden Party and Silent Auction** in Los Altos on **Saturday June 7**. Register [here](#).

If you can't make it, here's a [link to donate](#). Or attend an **Ice Cream Social and Backyard Games** in Fremont on **Sunday May 18**, our first family-friendly event. Lily will be zooming in. Register [here](#).

Prepare for our next postcarding campaigns

Stock up on postage stamps now before the proposed price increase in July! Buy stamps only through the [USPS store](#). Stamps never go "on sale". Companies offering discounted stamps are fraudulent.

And heads up! Postcards will be available in June/July in support of Abigail Spanberger, the Democratic candidate running to replace Glenn Youngkin as governor of Virginia. These cards will be written ahead of time and saved for a specific mail date in October. More news next month.
