Dear TWW/Indivisible-LG members,

So nice to wake up now without fear that a new crisis or outrage awaits! However, we can not become complacent. Remember how fired up we were 4 years ago when Trump was elected? Well that is what his supporters are feeling now. They are calling our representatives. We cannot rest on our recent laurels.

Biden and Harris need our support. The country is still in a crisis of democracy.

We need to get Covid under control. Getting you, your friends, and family everywhere vaccinated is so important. See below for ways to sign up to help with the vaccination effort. Sign up for 5 Calls too and make it your weekly habit to call your members of congress. Come to our meeting and get inspired by Mary Jessie Celestin.
