

## POLITICAL FUNDRAISING Policy Statement

- We raise funds for organizations, not individual candidates.
- The organizations we support are committed to promoting progressive values
- Our primary focus is on flipping offices and districts on the state and/or national level
- The organizations we target for fundraising do one or more the following:
  - Listen to and educate voters/ canvas
  - Register voters and get out the vote
  - Advocate for voter rights
  - Support progressive candidates
  - Enable previously disenfranchised citizens to vote
- We will develop a Fundraising Protocol and make ourselves available to guide others who want to hold similar events.
